Acknowledgement

It is an immense pleasure for me to present the project report on "**Verisight Sentinel: Deepfake Detection and Reporting System**" expressing my heartfelt gratitude to all those who have generously offered their valuable suggestions towards the completion of this report.

It's rightly said that we are built on the shoulders of others for all our achievements. The credit goes to my guide **Prof. XYZ** Department of Engineering in CSE (Artificial Intelligence & Machine Learning), Bharat College of Engineering, Badlapur whose positive attitude, moral support, and encouragement led to the success of the report. Her generous help, excellent guidance, lucid suggestions, and encouragement throughout the course of this work have greatly helped me in the successful completion of this work.

I take the privilege to express my sincere thanks to **Dr. Ulhaskumar Gokhale,** Principal, BCOE, for providing the much-needed support. I am thankful to **Prof. Pratiksha Shinde,** Head of the Department of Engineering in CSE (Artificial Intelligence & Machine Learning), and **Prof. Swati Gaikwad**, Project Coordinator Department of Engineering in CSE (Artificial Intelligence & Machine Learning), BCOE, for their kind support and help.

Last but not least I am thankful to all those who helped directly and indirectly in the completion of this work.
